Subject: Support for the 10th Mountain Division Wounded Warriors Fund

To: Potential Donors

Hi, I'm the President of the Fort Drum NY Chapter of the National Association of the 10th Mountain Division, Inc.,

The 10th Mountain Division was reactivated in Feb 1985 and since that time has been the most deployed division in the United States Army. By design and by hard won reputation, the division will remain extremely active in the years ahead in the Global War on Terrorism.

To date there have been over 300 10th Mountain Division Soldiers Killed in Action and over 2,400 severely Wounded in Action. With over 4,000 being deployed in 2017 my assessment is that the number of casualties will continue to grow.

The Fort Drum Chapter has been donating Wound Warrior Support Packs to our Soldiers at DoD and VA hospitals since 2002. The support pack consists of a Division Logo back pack that can be hung on a wheelchair or crutches. Inside the back pack are Division logo items including: a Hilton Hotel quality bathrobe, tear away sweats, a hats, a tee shirt and a NFL quality 10th Mt. Div. Football Jersey.

Additionally, funds have been used to build ramps and make other quality of life/mobility improvements in Wounded Warrior homes and purchase equipment and recreational activities for wounded Warriors residing in the Fort Drum Wounded Warrior Transition Unit. As other requirements are discovered the Chapter Board of Directors votes on each to ensure the funds we are entrusted with are providing the best return on investment.

In order to raise funds to continue to support our Wounded Warriors, we have created a 10th Mt. Div. Wounded Warrior Fund. If you want to be part of this important initiative send a check made out to "the Northern NY Community Foundation" and on the FOR LINE write: The Wounded Warrior Fund. Please send your tax deductible check to:
